***Food Logistics* Announces Its
Top 20 Green Supply Chain Partners**

Leading Business Magazine Presents First Listing of Green Supply Chain Partners

Melville, NY — May 20, 2011 — *Food Logistics*, the only publication exclusively dedicated to the grocery and foodservice distribution supply chain, has announced its Top 20 Green Supply Chain Partners.

For the first time, the editors of *Food Logistics* have recognized solution providers that have developed pioneering, innovative and creative products, services and programs to help their food and beverage customers achieve sustainable or “green” goals.

“Sustainable best practices not only better for the environment, but contribute to the bottom line as well,” says Katherine Doherty, editor-in-chief of *Food Logistics* magazine. “Our recipients are helping the industry to reduce their carbon impact in a variety of ways.”

After receiving nomination forms from solution providers, the editorial staff culled through submissions to compile this year’s listing. Final recipients are featured in the June 2011 issue of *Food Logistics*, as well as online at www.foodlogistics.com.

This year’s honorees are:

1. AFS Technologies Inc
