States Logistics Services, Inc. Partners with Dogswell for the Bow Wow Bailout

States Logistics Services Inc., a Third Party Logistics provider in Southern California and Phoenix Arizona partners with Dogswell for the BOW WOW BAILOUT.

Beginning April 15th, DOGSWELL launched the DOGSWELL® BOW-WOW BAILOUT! DOGSWELL® is committed to providing up to 10,000 FREE bags of DOGSWELL® dry food for dogs, one per household, to folks who have lost their job, took a pay cut or had their hours cut due to this economic downturn.

Families are being forced to take their pets to animal shelters or abandon them because they cannot afford to care for them anymore. DOGSWELL® decided it's time to give back and asked States Logistics Services, Inc. if they would participate in the handling and shipping of the orders from their operation in Ontario California. "This is a great opportunity for States Logistics Services, Inc. to offer our 3PL services at no cost to help those in need," said Ryan Donovan, V.P. - Operations and Business Development at States Logistics Services.

DOGSWELL® says it's doing everything it can to ensure that more pets stay in their homes and with their owners. Also, they will be attaching a coupon to each bag sent out for use at a local independent pet retailer so they can replenish their DOGSWELL® pet food supply at a deep discount.

The DOGSWELL® Bow-Wow Bailout will last until May 15th.

Applicants must fill out a redemption form. This form can be found at www.dogswell.com, by emailing bailout@dogswell.com or calling 888.559.8833.
