Company Background

Corporate Overview:

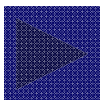

States Logistics Services, Inc. was started in 1960 as a progressive third party logistics services provider. Our focus: to provide premier warehousing, transportation, and value-added services to our customers.

Our Mission:

To be recognized by our customers as the best fully integrated provider of third party logistics services.

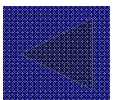

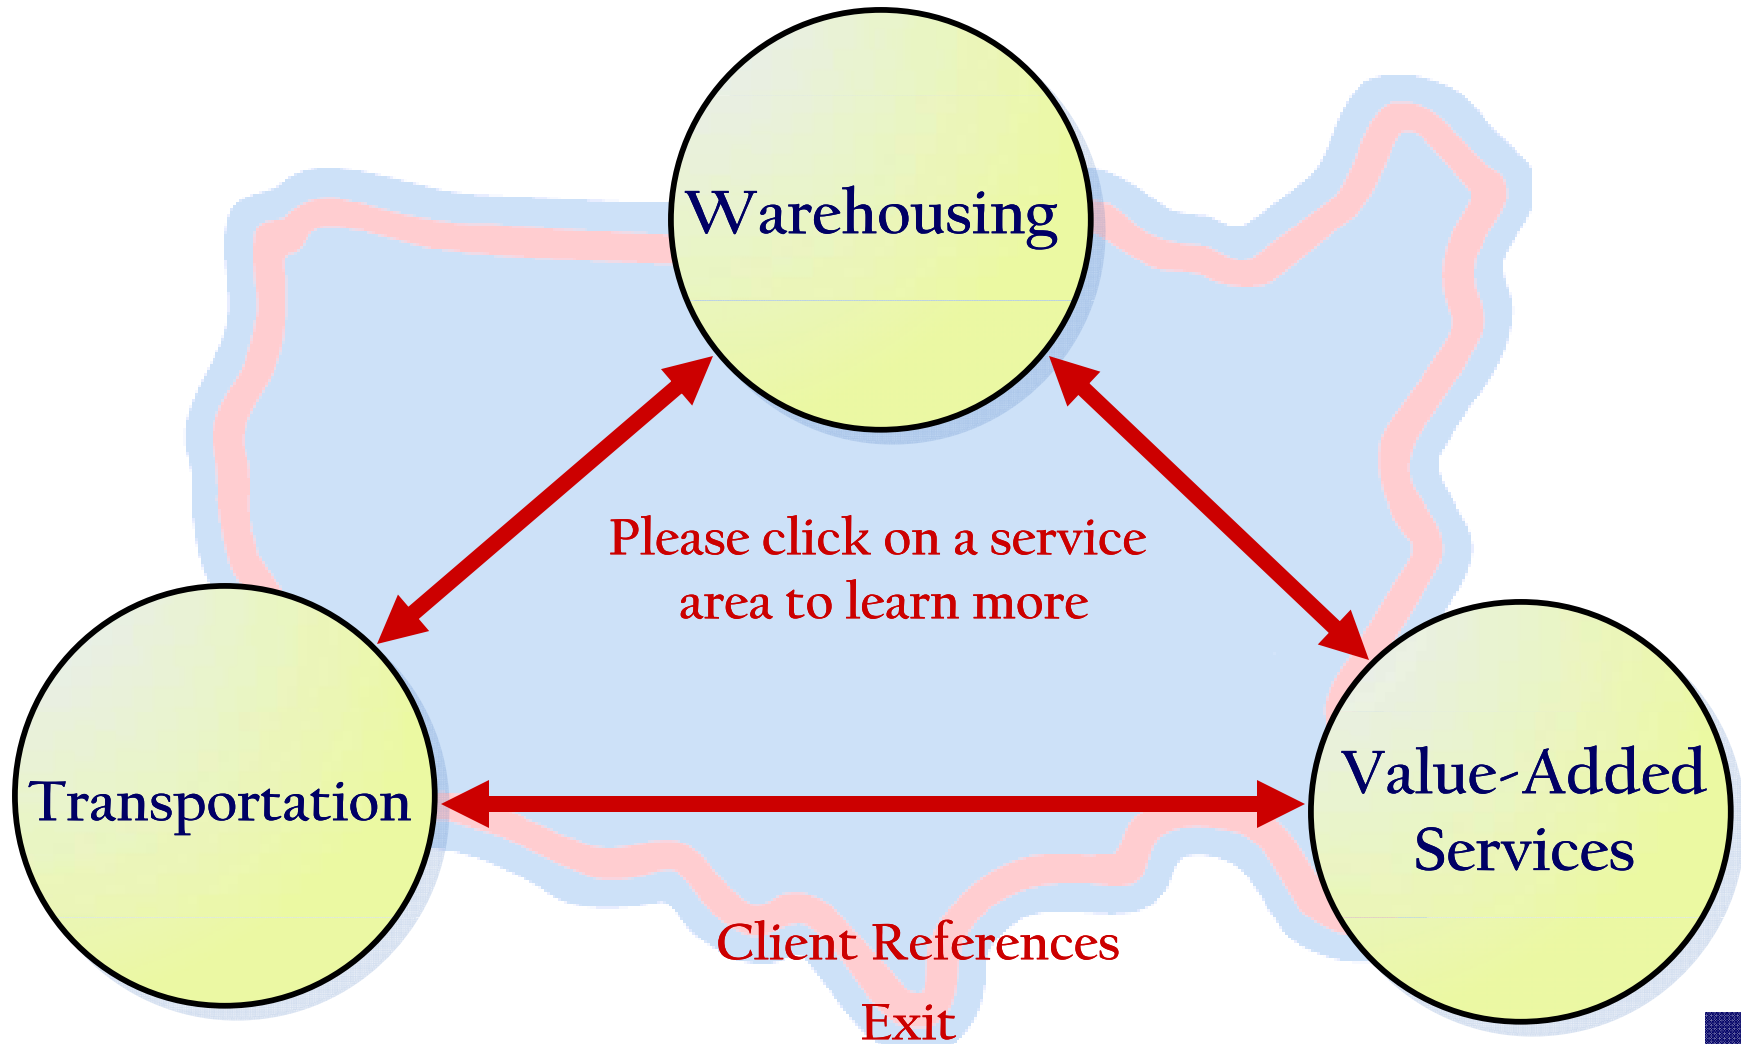

Our Strategy:

To partner with key customers to continue expanding our network, creating synergistic operations and provide world-class logistics services. We believe in partnering with our customers to improve service by understanding our customer's requirements, controlling costs and creating mutual benefits for all parties.

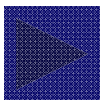

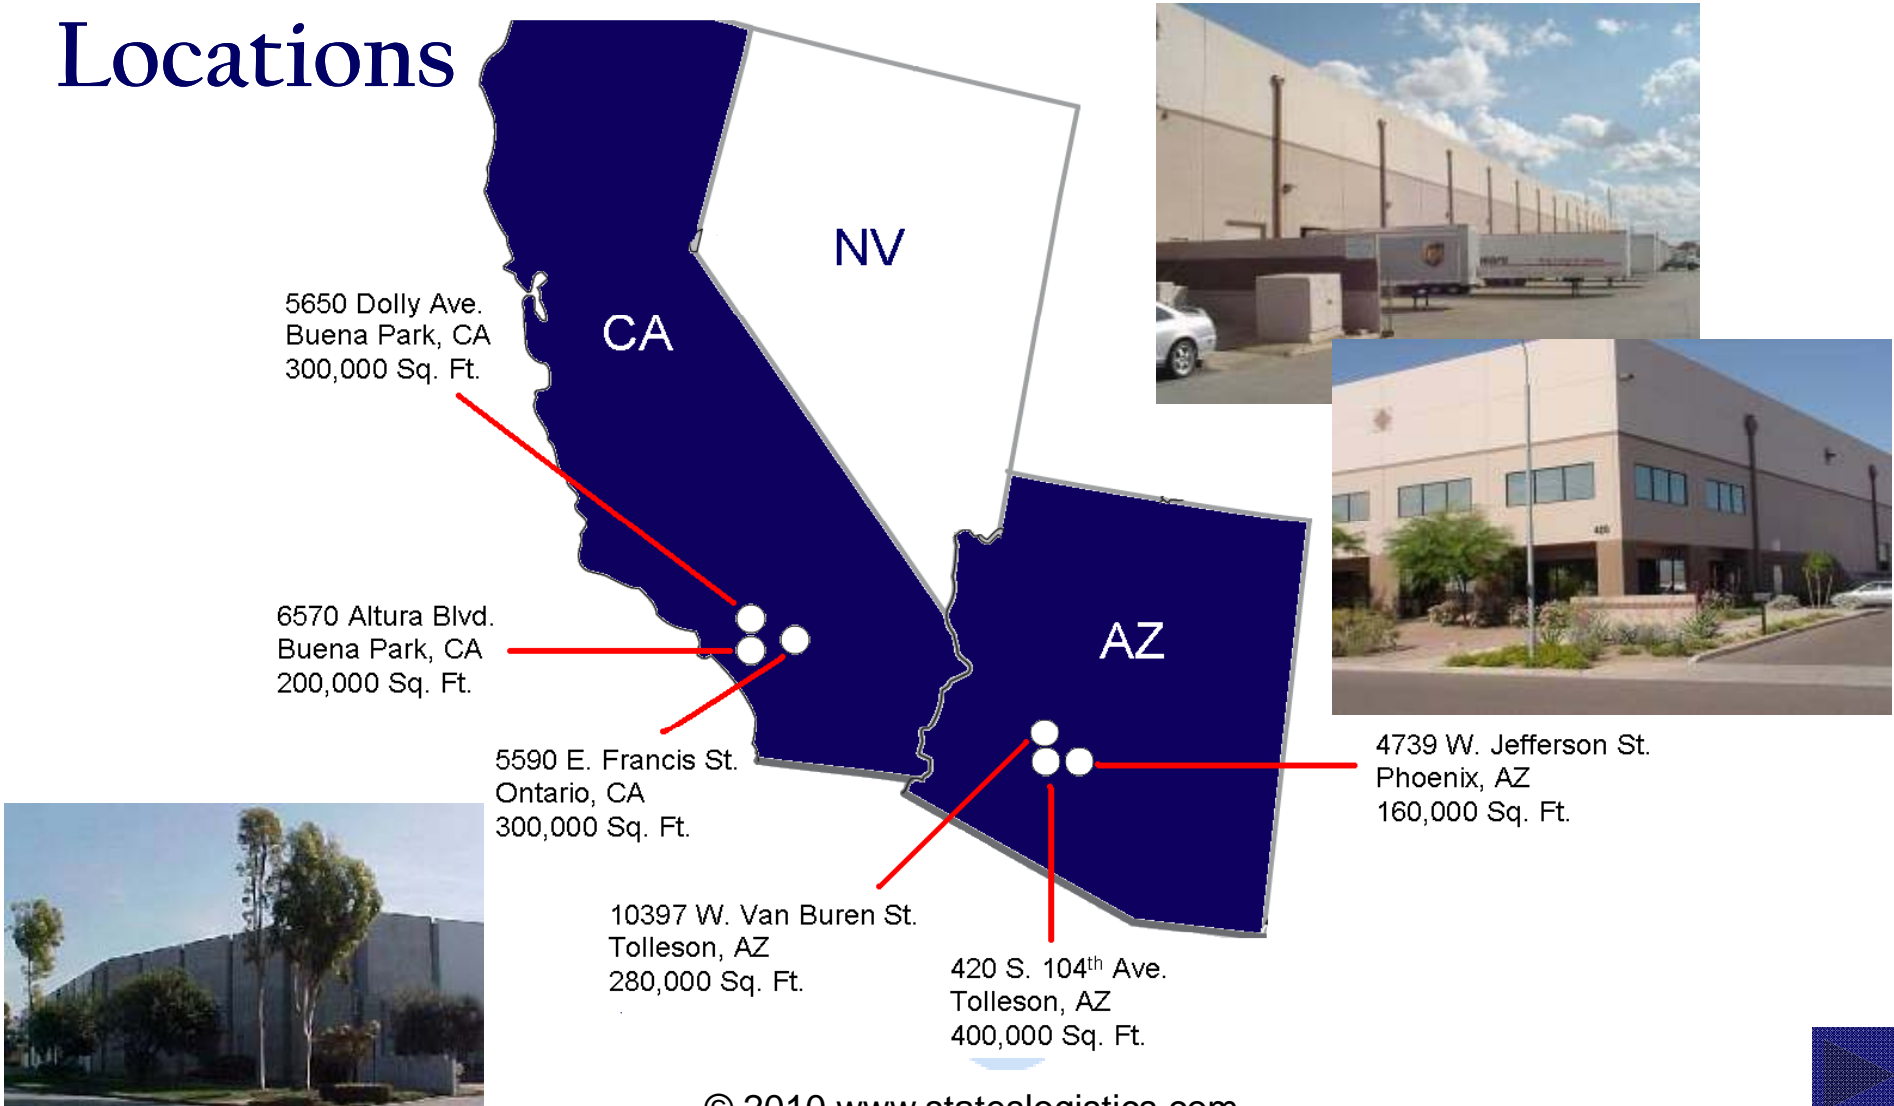

Where can we add value to your supply chain?

Warehousing

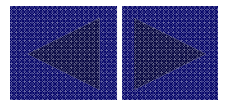

Locations
